## INDEPENDENT AUDITOR'S REPORT

To,  
The Members of **Anand Liners (India) Private Limited [CIN: U34300GJ2013PTC075846]**

### REPORT ON AUDIT OF FINANCIAL STATEMENTS

#### OPINION

We have audited the accompanying financial statements of Anand Liners (India) Private Limited ('the Company'), which comprise the Balance Sheet as at March 31, 2023 and, the Statement of Profit and Loss for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information [herein after referred to as "financial statements"].

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting Standards specified under section 133 of the Act read with Rule 7 of the Companies (Accounting Standards) Rules, 2021 ("AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023 and, its profit for the year ended on that date.

#### BASIS FOR OPINION

We conducted our audit of financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation and presentation of its report (herein after referred to as "Board Report") which comprises various information required under section 134(3) of the Companies Act, 2013 but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the Board Report and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Board Report and in doing so, consider whether the Board Report is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement in this Board Report, we are required to report that fact. We have nothing to report in this regard.

#### RESPONSIBILITY OF MANAGEMENT FOR FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets

of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

## AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

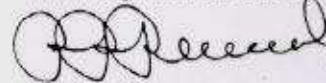

## REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

The Company is in the business of manufacturing of parts & accessories of motor vehicles & engines.

The Board of Directors approved the standalone financial statements for the year ended March 31, 2023 and authorised for issue on September 09, 2023.

## Note : 2 | Significant Accounting Policies

### 2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENT

These financial statements are prepared in accordance with the Indian Generally Accepted Accounting Principles (Indian GAAP) including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013, which are mandatory for Small & Medium Company. Accounting policies have been consistently applied in the year, except where a newly issued accounting standard is initially adopted or revision to existing accounting standard require a change in the accounting policy hereto in use. The financial statements are prepared on accrual basis under historical cost convention. The financial statements are presented in Indian rupees rounded to nearest Hundred rupee.

### 2.2 USE OF ESTIMATES

The preparation of these financial statements in conformity with Indian GAAP requires the management to make estimates, judgements and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/materialized. The management believes that the estimates used in the preparation of financial statements are prudent and reasonable.

### 2.3 PROPERTY, PLANT & EQUIPMENT

#### PROPERTY, PLANT & EQUIPMENT

Property, plant & equipment (PPE) are stated at cost of acquisition, net of recoverable taxes, trade discounts and rebates less accumulated depreciation and impairment loss, if any. The cost of property, plant & equipment comprises of its purchase cost, borrowing cost, other cost, direct/indirect attributable and/or incidental, incurred to bring them to working condition for its intended use at their present location.

Subsequent expenditures related to any item of property, plant & equipment are added to its book value only if they increases the future benefits from the existing asset beyond its previously assessed standard of performance.

In respect of additions or extensions forming an integral part of existing assets and insurance spares, including incremental cost arising on account of translation of foreign currency liabilities for acquisition of assets, depreciation is provided as aforesaid over the residual life of the respective assets.

When any part or item of property, plant & equipment is disposed, the gain / loss is recognized as net within other income / expense in Statement of Profit and Loss. Gain/loss is determined by comparing the proceeds from disposal with the carrying amount of the disposed asset as on the date of disposal.

### 2.4 INTANGIBLE ASSETS

Intangible assets are stated at cost of acquisition, net of recoverable taxes, trade discounts and rebates less accumulated amortization/depletion and impairment loss, if any. The cost of intangible asset comprises of its purchase cost and other cost directly attributable to making of asset ready for its intended use. The cost that are directly attributed in generating/developing the assets including the cost of material consumed, services used and employment cost of personnel directly involved and overheads that are necessary and that can be allocated on a reasonable and consistent basis to the assets.

### 2.5 DEPRECIATION AND AMORTISATION

Depreciation on property, plant & equipment assets is provided to the extent of depreciable amount on the Written Down Value (WDV) Method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

Depreciation for the assets purchased / sold during the period is charged on pro-rata basis with reference to the date when asset is put to use.

Amortization of intangible assets is done during its estimated useful life on basis of Straight-line Method (SLM). Estimated useful life taken for amortization of each asset is as under:

Asset Name	Estimated useful life
Software	5 years

## NOTES FORMING PART OF FINANCIAL STATEMENTS

for the year ended on March 31, 2023

Amount in ₹ except otherwise stated

### 2.6 IMPAIRMENT OF ASSETS

The management periodically assess whether there is an indication that an asset may be impaired. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. The recoverable value is the higher of the assets' net selling price or value in use, which means the present value of future cash flows expected to arise from the continuing use of the assets and its eventual disposal.

An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

### 2.7 FOREIGN CURRENCY TRANSACTIONS

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of transaction or rate that approximates the actual rate at the date of transaction.

Monetary assets and liabilities denominated in foreign currencies are translated at exchange rates in effect at the Balance Sheet date. Non-monetary assets and liabilities denominated in foreign currencies are carried at cost.

Any gains or losses on account of exchange differences either on settlement or on translation is recognized in Statement of Profit and Loss, unless as per company's accounting general policy on borrowing cost, they are regarded as borrowing cost as adjustment to interest cost.

Exchange differences arising from foreign currency borrowing and considered as borrowing costs are those exchange differences which arise on the amount of principal of the foreign currency borrowings to the extent of the difference between interest on local currency borrowings and interest on foreign currency borrowings.

### 2.8 GOVERNMENT GRANTS AND SUBSIDIES

Government grant is recognised only when there is reasonable assurance that the company will comply the conditions attached them to and the grants will be received. Government grant related to specific fixed assets has been shown as deduction from the gross value of the respective asset and the depreciation on the same is adjusted accordingly. Government grants related to revenue has been recognised as income in Statement of Profit and Loss on a systematic basis over the period necessary to match them with the related cost which they are intended to compensate. Government grants which are refundable are shown as liabilities in the Balance Sheet.

### 2.9 REVENUE RECOGNITION

Revenue from sale of goods is recognized on transfer of significant risk and rewards of ownership to buyer that coincides with the delivery of goods. The company present revenue net of goods and service tax in its Statement of Profit and Loss.

Export incentives on sales under various schemes notified by the Government has been recognised on accrual basis in the year of export. Other incentives and subsidies under various schemes notified by the Government has been recognised on the basis of amount received.

Interest income is recognised on time proportion basis taking into account the amount outstanding and rate applicable.

Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

### 2.10 INVENTORIES

Item of inventories are valued at lower of cost and net realisable value after providing for obsolescence, if any, except in case of by-product / scrap / wastage which are valued at net realisable value. However, materials and other items held for use in the production of finished goods are not valued below cost, if finished products in which they will be incorporated are expected to sold at or above cost.

Cost of inventories comprises of cost of purchase, duties and taxes (other than those subsequently recoverable), cost of conversion and other cost including manufacturing overheads net of recoverable taxes incurred in bring them to their respective location and condition.

Cost of raw materials, process materials, stores and spares, packing materials, trading and other products are determined on latest purchase price (FIFO) basis.

Work-in-progress and finished and semi finished goods are valued at lower of cost or net realisable value.

Provision of obsolescence on inventories is considered on the basis of management's estimate based on demand and market of the inventories.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated cost of completion and the estimated costs necessary to make the sale. The comparison of cost and net realizable value is made on item by item basis.

## NOTES FORMING PART OF FINANCIAL STATEMENTS

for the year ended on March 31, 2023

Amount in ₹ except otherwise stated

### 2.11 BORROWING COST

Borrowing costs include interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs that are attributable to the acquisition, construction or production of any qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All the other borrowing costs are charged to Statement of Profit and Loss in the period in which they are incurred.

### 2.12 INCOME TAXES

Tax expense comprises of current tax and deferred tax. Current tax is measured at amount expected to be paid to the tax authorities, using the applicable tax rates and considering the benefits admissible under provisions of Income Tax Act, 1961.

Deferred income tax reflects the current period timing differences between taxable income and accounting income and reversal of timing differences of earlier years / period. Deferred tax asset is recognised and carried forward only to the extent that there is reasonable certainty that the sufficient future income will be available except that deferred tax assets, in case there is unabsorbed depreciation or losses, are recognised if there is virtual certainty that sufficient future taxable income will be available to realise the same.

Deferred tax assets and liabilities are measured using tax rate and tax law that have been enacted or substantially enacted as on the balance sheet date.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the company will pay normal income tax during the specified period.

### 2.13 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognized when there is a present obligation as a result of past events when it is probable that there will be outflow of resources and reliable estimation can be made of the amount of obligation. Contingent liabilities are disclosed when the company has a possible obligation or a present obligation and it is probable that a cash outflow will not be required to settle the obligation. Contingent assets are neither recognized nor disclosed in the financial statements.

### 2.14 EMPLOYEE BENEFITS

#### SHORT TERM EMPLOYEE BENEFITS

Employee benefits such as salaries, wages, compensated absence, bonus, ex-gratia, incentives, etc. falling due wholly within twelve months of rendering the service are classified as short-term employee benefits and are recognised in the period in which the employee renders the related service and are measured at the amounts expected to be paid when the liabilities are settled.

#### COMPENSATED ABSENCES

The company has a policy on compensated absences which are accumulating, but non-vesting. Since the employee has unconditional right to avail the leave, the benefit is classified as a short term employee benefit. The company records an obligation for such compensated absences in the period in which the employee renders the services that increase this entitlement.

Liability in respect of compensated absences becoming due or expected to be availed is recognized on the basis of estimated amount required to be paid or estimated value of benefit expected to be availed by the employees.

#### POST EMPLOYMENT EMPLOYEE BENEFITS

##### i. Defined Contribution Plans

A defined contribution plan is a post-employment benefit under which an entity pays a specific contribution to a separate entity and has no obligation to pay any further amounts. Retirement benefits in the form of provident fund and The company's superannuation scheme, state governed provident fund scheme, employee state insurance scheme and employee pension scheme are defined contribution plans. The contribution paid/payable under the schemes is recognised during the period in which the employee renders the related service. The company has no further obligations under these plans beyond its monthly contribution.

### 2.15 EARNINGS PER SHARE

Basic earnings per share is computed by dividing the net profit after tax attributable to the shareholders by the weighted average number of equity shares outstanding during the period.

#### Additional Information:

##### 3.1 Terms / Rights attached to equity shares

The company has only one class of shares referred to as equity shares having a par value of ₹ 10/-. Each holder of equity shares is entitled to one vote per share and is entitled to dividend, declared if any. The paid up equity shares of the Company rank pari-pasu in all respects, including dividend.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive any of the remaining assets of the Company in proportion to the number of equity shares held by the shareholders (after due adjustment in case of shares that are not fully paid up), after distribution of all preferential amounts.
